

# GODS, GODDESSES AND PERCY JACKSON

## Drama Workshop for Grades 3 – 5

Come join us on Mount Olympus as we “try on” the characters of those fun and fascinating Greek Gods. What would it be like to be Zeus, Hera, Hades, Athena, Poseidon or Aphrodite? What about Hercules, Perseus, or Prometheus? We will also explore the characters of the Percy Jackson novels, integrating the ancient with the modern. Through drama games, improvisation, scene work, storytelling and monologues, participants will have a chance to learn about and explore the mythical world of heroes, gods, goddesses and beasts. Art activities will also be included. Taught by Becca Greene-Van Horn, experienced drama teacher and former professional actress. Informal demo at the last class. There is an \$8 materials fee.
