

SUMMER READ-A-THON

Welcome to the Wildwood Read-a-thon Million Minute Challenge

Here are some important things to know before you get started:

1. You have one sheet for recording the minutes you spend reading each day. Please make your personal goal and ask your family to make their own goal for how many minutes to read each day. Add together your own minutes and your family's minutes and enter it in the appropriate box each day. Total all of your minutes at the end of each week. At the end of the summer, you will be able to add together each week's minutes for the total amount of minutes spent reading this summer. We will add every participant's minutes together to reach our million minute goal!

2. The other sheet is for recording the title and author of books and magazines you have read independently or that have been read to you. There is a column for you to put a star next to the titles you recommend. We will be compiling a list of recommended books to share with the whole school in the fall.

3. If you are looking for ideas for reading, you can visit the wildwood pgo blog: <http://wildwoodpgo.com/> for links to several book lists for readers of all ages. You can also find extra recording sheets on the blog if needed.

4. Keep your recording sheets in a safe place and return them in the fall!

Name _____ Teacher Spring _____ Teacher Fall _____

WILDWOOD MILLION MINUTE CHALLENGE!

My Personal Goal: _____ Minutes/Day My Family's Goal: _____ Minutes/Day

Record how many minutes you and your family members read each day of the summer.

Weeks	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Sun.	Total
Week 1								
Week 2								
Week 3								
Week 4								
Week 5								
Week 6								
Week 7								
Week 8								
Week 9								
Week 10								
Total Number of Minutes for the Summer:								

Summer Reading Booklist

Name _____ Teacher: Spring _____ Fall _____

Write all books you have finished on this list. Put a ★ for books you recommend.
